

Certification Checklist for Fecal Coliform Biosolid Sample Preparation and Analysis

Your application package will not be processed and will be returned if any of the following items are missing:

- ☐ A completed, dated, and signed application. Refer to Biosolids Preparation (Page 13) and Total Solids (Page 17) of the application.
- ☐ An application fee of \$125.00. Checks must be made payable to "SCDHEC". Please call (803) 896-0970 to make credit card payments. The application fee for fecal coliform biosolid sample preparation and analysis will be waived for applications received prior to April 1, 2005.
- ☐ A Standard Operating Procedure (SOP) for fecal coliform analysis for biosolid (i.e. sludge) samples and total solids (SM 2540G). These procedures must include sample preparation, analysis, and calculations as documented in Appendix F of EPA/625/R-92/013 (Revision 2003).
- ☐ Completed sample preparation records, biosolid analysis records (fecal coliform and total solids), and quality control checks associated with fecal coliform analysis.

****** Please address any questions concerning the application process to the Office of Environmental Laboratory Certification at (803) 896-0970.
